

ST ANNE'S CE PRIMARY SCHOOL

- At the end of every half term, we will have a 'treat day' where children can bring any snack but it must be small (e.g. no large sharing bag of crisps or treats).

School Council will also run a fruit stall once every half term on 'Fruity Friday' and school will provide different fruits to try for a small cost. (more information will follow on this in term 4)

On a birthday, children are still allowed to bring in a treat but it will be shared with the class at the end of the day, rather than at break or lunch.

We really hope this works as planned and has a positive impact on our school's hea
