School uniform, and some additional items including coats, can be purchased from our supplier, School Trends, via their website [www.stparent.co.uk](http://www.stparent.co.uk).

On starting at St Anne's Primary School all children are provided with a book bag and a water bottle free of charge. Replacements for these items, as well as school caps, can be purchased directly from the school office.

Felt backed embroidered badges can be purchased from the school office and be sewn on to plain uniform.

Children should bring a coat to school each day and are encouraged to wear sun hats, caps, hats, scarves, gloves, wellington boots and snow boots as and when the weather dictates.

Long hair should be tied back using bands, bobbles and scrunchies in uniform or natural hair colours. Hair should not be dyed and extremes of style, for example shaved lines, patterns or full head, are unacceptable in school.

Please remember that only simple stud earrings (no hoops, sleepers or danglies) are permitted in school and should be removed or covered, using plasters or medical tape, for PE. Wristwatches are encouraged but all other jewellery, nail varnish, make-up and tattoos must not be worn for school.
